#### DAVAO CITY :

The city of Davao which is approximately 588 miles (964 Kms) south east of Manila is the largest City in the Island of Mindanao. It is also one of the several cities of Philippines that are independent of any province. It has a population of 1,530,365 (Census 2011) making it the country's largest city outside Metro Manila and the second overall with the cities of Metro Manila combined. It has been awarded by the Development of Tourism as the best of livable cities in the Philippines in 2008. An estimated number of 4 million people are present in the city during the day time and it is the only city to hit the million mark outside Metro Manila since 1995 making it the second largest city.

#### SALIENT FEATURES OF DMSF

ECFMG (Educational Commission for Foreign Medical Graduates) recognized, which will make the candidate eligible to appear for USMLE (United States Medical Licensing Examination). Upon successful completion of this test, the student is eligible to practise in USA.

FAIMER recognized (Foundation for Advancement of International Education) which will make the candidate eligible to join Ph.D. courses.

Recognized by Philippine Government. Permitted by Philippine Government to enroll foreign students as per EC provisions. Listed in Part II, Schedule III of The Indian Medical Council Act, 1956. Ranked No. 9 among the top performing medical schools nationwide.
